**Reports:**

**Malcolm Koncz:** reported that they did well at Muskowekwan, they got a lot equipment from their old WTP and appreciated and thanked everyone who came out and helped that day. He wanted to thank all of Council for their time and dedication while being on council, knowing that they may not all be sitting around that table again.

**Brad** was in from 7:19 p.m. – 7:42 to discuss any outside concerns and report on what has been happening.

**Tyler Hachkewich:** reported that they were still searching for a caretaker for the gym committee, but figured they had someone in mind that they would reach out to.

**Jim Braman:** Said he would stay on as the health board committee member if council would like. He said a thank you to council as he was not running again the election.

**Ken Degelman:** Reported on being 75% done on the water line on Railway Ave.

**Amanda Kihn:** Said a thank you to all of council as she did not run again in the election.

**Derek Purdue:** reported on the ice being put in at the arena, they were having some ice issues at the back of the arena with the boards. Water in the basement of the arena is still an issue.
